The Test of English as a Foreign Language (TOEFL®) Preparation course is designed to help non-native English speakers understand and improve their scores on paper-based (PBT) and Internet-based (iBT) TOEFL ® tests. The tests are widely used as comprehensive assessments of language proficiency for English-as-a-Second-Language (ESL) learners. All skills — listening, speaking, reading, and writing — will be covered with special emphasis on grammar for all test forms. Results of the end-of-semester paper-based test can be used for admission to WSU.

Included in the course are:

- Pre- and post-testing for each of the three sections of the test
- Instruction in test-taking strategies
- Instruction and review of grammar
- Instruction in listening and reading comprehension
- On-line writing assessment (optional)
- Remote-access language lab with teacher-made materials not available in textbooks
- Exit PBT TOEFL ® to be used for WSU admission
