Taking the TOEFL?

iBT Preparation Course
Hosted by the English Language Institute
at Wayne State University

Let us help you prepare

The Internet-based Test of English as a Foreign Language (TOEFL iBT) is widely used to test the language proficiency of English as a Second Language (ESL) learners. The iBT Preparation Course, hosted by Wayne State University’s English Language Institute, is designed to help non-native ESL speakers and writers understand and improve their TOEFL iBT scores. Results of a paper-based test at the end of the course can be used for admission to Wayne State. You do not need to be a Wayne State student to attend this course.

Classes are held Tuesday evenings, beginning September 2.
