

WAYNE STATE UNIVERSITY

International Graduate Admission Application

INSTRUCTIONS

This application is only to be used by students applying for graduate school. Post-Bachelor, Graduate Guest, Permit to Register, and Renewal admission processes require separate applications. The Office of Graduate Admissions can provide you with the appropriate form. To receive the appropriate application by mail call (877) WSU-INFO or e-mail us at requestinfo@wayne.edu. Applications and other admissions information may be downloaded from:

www.admissions.wayne.edu/grad/appl/index.html.

INQUIRIES

All correspondence regarding admission should be directed to the Graduate Admissions Counselor, Office of Graduate Admissions, Wayne State University, Detroit, Michigan 48202, U.S.A.

All admission applications and supporting documents should be addressed to the Office of Graduate Admissions, Wayne State University, Detroit, Michigan 48202, U.S.A.

Other inquiries pertaining to United States Immigration and Naturalization Services, U.S. Border Crossing restrictions, health insurance, or employment on campus should be addressed to the Office of International Students and Scholars (OISS), Welcome Center, 42 W. Warren, Detroit, Michigan 48202, U.S.A. You may also contact the OISS by phone at (313) 577-3422, by fax at (313) 577-2962 or at the following Internet address:

www.oiss.wayne.edu Students applying from outside the United States are encouraged to check the State Department's website: <http://educationusa.state.gov> to learn about applying to U.S. universities.

For inquiries on available institutional fellowships, scholarships and assistantships, please write to the Graduate School, Graduate Student Financial Assistance Information Office, 4302 Faculty/Administration Building, Wayne State University, Detroit, Michigan 48202, U.S.A. You may also contact them by phone at (313) 577-2172, by fax at (313) 577-2903, or by e-mail at ad1129@wayne.edu. For the most current information, visit the Graduate School's Web site at:

www.gradschool.wayne.edu

ALL APPLICANTS

- International applicants must complete the Graduate International Student Application.
- Attach a check or money order for the nonrefundable \$50 (U.S. funds) application fee. Make checks payable to: **Wayne State University. Cash is not accepted.**
- United States citizens living overseas should not complete the Graduate International Student Application. **Please contact the Office of Graduate Admissions for the appropriate application.**

APPLICATION PROCEDURES

- To be considered for graduate admission, applicants must complete the equivalent of a U.S. four-year degree, including all state and external/internal examinations required for the degree/diploma. Although a degree in another country may have a similar name to a degree in the United States, this does not necessarily indicate the degree can be accepted as equivalent. **For example:**

three-year general degrees (from Canada, India/Pakistan, France, etc.) are not acceptable for graduate admission to Wayne State University. In all cases, applicants must complete a four-year Honours degree, or other alternative undergraduate requirements, in order to be considered for admission to graduate school at Wayne State University. Students transferring from other colleges or universities must submit their official transcripts, mark sheets, or other appropriate records of all university/college-level coursework. The recording of grades from one or more colleges or universities on the transcript of another institution does not meet this requirement. The information you furnish should be complete since additional correspondence will delay the processing of your application. If you have taken any of the examinations listed above, it is your responsibility to ensure that the Office of Graduate Admissions receives all official scores. Without all necessary information, processing of the application will be delayed.

- The student must have proficiency in English. Please refer to the **English Proficiency Requirements** section below for clarification.
- Prospective students must present official financial support statements showing your sponsor's willingness and ability to pay for tuition, registration fees, books and supplies, and living expenses (if applicable) for the anticipated study period at Wayne State University (normally two to four years).

VERIFICATION OF DEGREES

Official documents must show the degree title and the date of award. If the applicant is presently a candidate for a degree, no final admission decision can be made until the transcript with a degree statement is received by the Office of Graduate Admissions. Until a transcript with a degree statement is available, admission can be made on a temporary basis.

It is also necessary that transcripts or mark sheets of **ALL** university-level grades be sent by the issuing institution to the Office of Graduate Admissions. The transcript must show a record of subjects taken, grades, and degrees earned. The units or credits earned for each course should also be listed. It is **not** necessary to submit secondary school records. All documents should be submitted in English and in the native language (if applicable).

ENGLISH PROFICIENCY REQUIREMENTS

All applicants are required to submit evidence of proficiency in English to the Office of Graduate Admissions. A minimum score of 550 is required on the Test of English as a Foreign Language (TOEFL), or a score of 85 is required on the Michigan English Language Assessment Battery (MELAB) or a minimum score of 6.5 is required on the International English Language Testing System (IELTS). If taking the computer-based TOEFL, a minimum score of 213 is required. The TOEFL Bulletin of Information and Registration form is available at many U.S. embassies, consulates and USIA offices. If not available from these sources write to: TOEFL, P.O. Box 6155, Princeton, New Jersey 08541-6155 U.S.A. For information about the MELAB, please contact the University of Michigan at (734) 764-2416.

The following applicants are exempt from taking the Test of English as a Foreign Language (TOEFL), Michigan English Language Assessment Battery (MELAB) test, or the International English Language Testing System (IELTS):

- International students whose native language is English.
- Applicants who have completed all their secondary or post-secondary education in the United States, Canada, or other English speaking countries such as the United Kingdom, the West Indies, and other countries specified by the Wayne State University Office of University Admissions.

Applicants whose native language is not English, but who have been instructed in the English language, are not exempt from the TOEFL/MELAB/IELTS requirements.

APPLICANTS SEEKING TEACHING ASSISTANTSHIPS

Generally, international students do not qualify for financial aid. Applicants who wish to apply for Research or Teaching Assistantships should contact the appropriate department. **Please note that the Office of Graduate Admissions does not handle financial aid requests.**

Applicants applying for assistantships must also demonstrate acceptable skills in spoken English. Such applicants should take the Test of Spoken English (TSE) offered at TOEFL test centers. Test results should be sent by the Educational Testing Service to the chair of the Wayne State University academic department to which you are applying. For information about the test, write to: Test of Spoken English, P.O. Box 2882, Princeton, NJ 08541-2882 U.S.A. If the TSE cannot be taken, it is recommended that the applicant correspond with the department chair from which financial support is requested.

APPLICATION FILING DATES

The Office of Graduate Admissions will make every effort to process your application in time for the semester of your choice. However, we have developed the deadline dates shown below which will ensure a decision before the semester starts. Unless your application and all supporting materials are received by the date indicated, we may not have time to consider you for the desired term. In addition, **several programs have firm deadlines which are earlier than those listed (see “department/college/school information” inside).** Please note that this application is only applicable for the semester you indicate. If you do not register for classes for that semester you must complete a Graduate Renewal Application for the next consecutive semester.

Semester:	Apply Before:	Classes Begin:
Fall	May 1	Early September*
Winter	September 1	Early January
Spring /Summer	January 2	Early May
*Law School	March 15	Late August

OTHER REQUIREMENTS

Many departments require other tests (i.e., GRE, GMAT) or additional materials such as letters of recommendation. Consult the admission application instructions for departmental requirements. Failure to satisfy these requirements will delay a final admission decision or may result in the rejection of the application.

TYPES OF PROGRAMS

The degree(s) or certificate available in each major is indicated under the department/college/school information section of the application by a letter code following the name of the major.

M - Masters (M.A., M.S., or other)	S - Specialist Certificate
D - Doctoral (Ph.D. and/or Ed.D.)	C - Graduate Certificate

COPIES OF DOCUMENTS

Photocopies of original documents must bear the signature of the registrar and the seal of the issuing institution — the signature and seal must be original and separate from the photographic image. Attested or “true” copies are acceptable only if certified by signature and seal of an administrative official of the school in which the studies were completed. Additionally, documents may be attested by the embassy or consulate located in the country from which the student is applying.

NON-UNIVERSITY EVALUATION AGENCIES

It is recommended, but not required, that applicants with credentials from countries outside of North America submit transcripts or mark sheets to evaluation agencies. You may send your academic credentials to the Education Credential Evaluators (ECE) for evaluation and to determine degree equivalency. Contact ECE at P.O. Box 92970, Milwaukee, WI 53202-0970, U.S.A., by phone at (414) 289-3400, or via the Internet at www.ece.org. **For additional evaluation agencies, such as World Educational Services (WES) or the American Education Research Corporation (AERC), you may contact the International Graduate Admissions Counselor.**

FINANCIAL DOCUMENTATION OF SUPPORT

International students must provide official financial support statements documenting the sponsor’s willingness to pay for tuition, registration fees, books and supplies, and living expenses (if applicable) for the duration of the anticipated study period at Wayne State.

You or your sponsor’s ability to provide the needed funds must be verified by a third party, such as a bank. You may use the bank statement included in this booklet, or you may request a letter from your sponsor’s bank indicating the name of the bank, the account number, account holder’s signature, and bank official’s signature. These documents are required for the student F-1 or J-1 visa petition at the American embassy or consulate in the home country. **It is advised that students request two original copies of financial documents: one for the visa application and one for Wayne State University.**

REGISTRATION PROCEDURES

If admitted, the student will receive a Certificate of Eligibility (I-20 or DS-2019) with the official letter of admission. This certificate is required to apply for a student visa from the U.S. embassy or consulate. The applicant should not leave the home country before receiving official notification of admission from the Office of University Admissions. Once your student visa is approved and you have entered the U.S., **it is imperative that you contact the Office of International Students and Scholars (OISS) at (313) 577-3422. You must present your I-20 or DS-2019 to the OISS in order to finalize your transfer or entry. Failure to do so may affect your student status in the U.S. and will prevent you from registering for classes in the semester following your entry.** If you misplace your Form I-20, please contact OISS for a duplicate copy.

HOUSING

Wayne State University apartments are conveniently located within walking distance from the main campus. For more information, please contact the Wayne State Housing Authority at (313) 577-2116 for a preliminary housing application. You may also visit the housing Web site at www.housing.wayne.edu for additional information.

Please read the following instructions carefully before completing and submitting the Statement of Financial Support to Wayne State University.

Official sponsorship letters including details, terms and amounts of the award are to be attached to the Statement of Financial Support. This form must be completed and submitted along with an **original** bank statement or official letter of award from the sponsor as part of the admission process. **Please note that photocopies of the documents are not acceptable.**

The United States Bureau of Citizenship and Immigration Services regulations require that all international applicants demonstrate their ability to meet educational and living expenses in order for the university to issue a Certificate of Eligibility (Form I-20 or DS-2019). For this reason, this form must be completed and returned regardless of the source of funding. Please complete the appropriate category of page 2, section 3. Bank statement must be current; statements that are older than six months are not acceptable.

If the applicant is married and plans to bring the spouse and dependent children to the United States, additional funds are required to cover the expenses of the spouse and children.

The Wayne State University admissions office will not issue the Certificate of Eligibility (Form I-20 or DS-2019) unless the applicant has:

1. Provided proof of acceptable English proficiency;
2. Provided proof of adequate financial resources;
3. Been admitted to a full time program.

In addition, if admitted, the applicant will need to prove to the US consulate officer in the home country that there are sufficient funds to cover the first year of study. Therefore, we suggest that you request two original copies of all financial documents: one copy for you to keep and submit to the U.S. Consulate and the other to send to WSU with the original application for admission.

Please return this completed form to:

Office of Graduate Admissions
Wayne State University
Detroit, MI 48202 U.S.A.

Students interested in information about studying in the U.S. are welcome to visit the State Department's Bureau of Education & Cultural Affairs (ECA) website at:
<http://educationusa.state.gov>

(Required of all applicants seeking a Student or Exchange Visitor Student Status)

It is necessary that the information requested below be provided since very few students receive financial support from the university and immigration regulations severely limit or prohibit employment in the United States for students holding non-immigrant status (F-1, J-1).

Because Wayne State University is a tax-supported institution, most financial aid funds are reserved for legal residents of the United States. Normally, graduate students from abroad are eligible to apply for scholarships, fellowships, and graduate assistantships only after having demonstrated exceptionally good academic progress during the first year of their graduate study. However, some departments award graduate assistantships to foreign applicants at the time of admission; please consult with the chair of the department to which you are applying. Most assistantships do not cover costs for an entire calendar year. Proof of additional funds from other sources listed below may be necessary before a certificate of eligibility for a student visa can be issued.

A non-resident is expected to provide funding for the first year of study (two semesters or eight months and a four-month summer period) in addition to all transportation, housing, and miscellaneous costs.

COMPLETE THE FOLLOWING: Please type or print in ink.

1. Mr. Ms. Family or Surname First Name Middle

2. Are you married? Yes No Will your family accompany you? Yes No
If yes, how many of your immediate family members will accompany you?
Please provide information on your dependents
Name(s) Dates of Birth Country of Birth Citizen Of Relationship to Student

3. Do you have the funds necessary to cover your expenses for your first year of study? Yes No
Itemize in U.S. dollars the financial resources you will have available and include documentation for each item. (i.e., bank statements or statements verifying liquid assets. These statements must be no more than six months old.)

- a. From personal savings \$
b. From your family \$
c. From your government. \$
d. From other sources (specify & provide documents. \$
TOTAL \$

4. If you plan to remain at the university for a second year or longer, which of the above resources will you be able to depend on? a b c d

5. Are the regulations of your government such that this amount of money can be released to you in US dollars? Yes No

6. Has the department to which you applied informed you that you are being considered for an assistantship? Yes No

7. What is your non-immigrant preference? F-1 J-1 (Based on your source of funding)
