

International Undergraduate Admission Application

This application is to be used for first-year and university or college transfer undergraduate international students. Graduate, guest, post-bachelor's degree, permit-to-register and renewal admission processes require separate applications. To receive the appropriate application by mail, call (877) WSU-INFO, or e-mail us at admissions@wayne.edu. You may also download applications from our Web site at apply.wayne.edu. Our e-mail address is admissions@wayne.edu.

Inquiries

All correspondence regarding admission should be directed to this address:

International Undergraduate
Admissions Counselor
Undergraduate Admissions
Wayne State University
PO Box 02759
Detroit MI 48202-0759 USA

All admission applications and supporting documents should be addressed to:

Undergraduate Admissions
Wayne State University
PO Box 02759
Detroit MI 48202-0759 USA

Other inquiries pertaining to US Immigration and Naturalization Services (INS) regulations, US border-crossing restrictions, health insurance or employment on campus should be addressed to:

Office of International Students
and Scholars (OISS)
42 W. Warren, 416 Welcome Center
Detroit MI 48202 USA

You may contact the OISS by phone at (313) 577-3422 or at the following Internet address: www.oiss.wayne.edu.

All Applicants

- International students must complete the International Undergraduate Admission Application.
- Attach a check or money order for \$50 in US funds for the application fee. Make checks payable to Wayne State University. Cash is not accepted.
- United States citizens living overseas are not to complete the International Undergraduate Admission Application.

International Admission Requirements

High School Students

The requirement for first-year admission is a 2.75 cumulative grade-point average (on a scale of 1.0 to 4.0, with 4.0 being the highest grade). To be considered for first-year admission, all graduates from

secondary institutions must complete the pre-university educational curricula in their own country, including all internal/external state and governmental examinations required for university entrance, in addition to holding at least a 2.75 overall grade-point average.

Any applicant, regardless of grade level, may be required to submit SAT or ACT scores if admissibility is not clearly demonstrated on the basis of previous high school coursework.

University/College Transfer Students

For admission into the liberal arts curriculum, the transfer admission requirement is one year of coursework and a cumulative grade-point average of 2.0 (on a scale of 1.0 to 4.0, with 4.0 being the highest grade). Professional programs of study may have up to two years or more of prerequisites and require higher percentages or averages for admission. Refer to the section, "Undergraduate Program of Study and Contact Information," for further explanation.

Transfer applicants with less than one year of college or university-level coursework should also request an official high school transcript, certificate or mark sheets.

Transfer students taking coursework at the time of admission to Wayne State must request an updated official transcript showing any additional credits. This transcript must be sent from that institution to the following address:

Wayne State University
Undergraduate Admissions
PO Box 02759
Detroit MI 48202-0759, USA

Applicants on probation, or with less than a 2.0 grade-point average, or who have been excluded from another college or university, are asked to wait one calendar year before applying for admission at Wayne State. At the time of application, regular transfer admission requirements must be met.

Required Academic Credentials

To be considered for admission as an undergraduate international student, applicants must submit official transcripts,

mark sheets or other appropriate records of all secondary and/or university-level grades/marks and descriptions of courses (if available). The recording of grades of one or more colleges or universities on the transcript of another institution does not meet this requirement. If the educational system is similar to the American pattern, all courses should be listed with letter grades (A, B, C, D, E) or a comparable grading scale. Where the European system (based on subject fields rather than courses) is used, official records of subjects taken, as well as the results of all examinations taken and passed, specifying the level of academic achievement, must also be submitted. In countries where the unit, credit or hours for each course is used (i.e. hours per week), this should also be listed on the academic record.

All transcripts must be in native languages (where applicable) and an official English translation of these documents, with official signatures and seals of the issuing institutions, must also be submitted.

Copies of Documents

Photocopies of original documents must bear the signature and seal (if applicable) of the registrar/tabulator, or examination controller of the issuing institution. The signature and seal must be original and separate from the photographic image. Attested or "true" copies are acceptable only if certified by signature and seal (if applicable) of an administrative official of the school in which the studies were completed. In many instances, academic documents can be attested by the local embassy or consulate located in the country from which the student is applying. For additional inquiries regarding the process of requesting and verifying academic credentials, contact the international admissions counselor.

Non-University Evaluation Agencies

It is recommended, but not required, that applicants with credentials from countries outside of North America submit transcripts to evaluation agencies. You

may send your academic credentials to Educational Credential Evaluators (ECE) for evaluation regarding equivalency and transfer of coursework. Contact ECE by mail at PO Box 92970, Milwaukee, WI 53202-0970 USA, by phone at (414) 289-3400, or via the Internet at www.ece.org. For additional evaluation agencies, or any other inquiry, you may contact the international admissions counselor.

English Proficiency Requirements

The following applicants are exempt from taking the Test of English as a Foreign Language (TOEFL) and the Test of Written English (TWE):

- International students whose native language is English.
- Applicants who have completed all their secondary or post-secondary education in the United States, Canada or other English-speaking countries such as the United Kingdom, the West Indies, and other countries specified by the Wayne State University Office of Undergraduate Admissions.

For those applicants not meeting the above exemption requirements, minimum scores of 550 TOEFL and Oral and TWE 5.5 are required. If taking the computer-based TOEFL, a minimum score of 213, in addition to a TWE and Oral of 5.5, is required, IBT 79-80. Applicants may also take the University of Michigan English Proficiency Exam (MELAB). The minimum MELAB score required for Wayne State admission is 85. For more information about the MELAB, contact the University of Michigan at (734) 764-2416.

Applicants whose native language is not English but who have been instructed in the English language are not necessarily exempt from the TOEFL/TWE/Oral requirements.

The TOEFL/TWE/Oral Bulletin of Information and Registration Form is available from high school and university counseling offices and at many agencies. These agencies include the Institute of International Education, African-American Institute, Amideast and the American-Korean Foundation. If this information is difficult to find in your local area, write to:

TOEFL
Box 6151
Princeton NJ 08541-6151 USA

Or you may contact TOEFL by phone at (609) 921-9000 or online at www.toefl.org. You may also contact the Office of Testing, Evaluation and Research Services at Wayne State by calling (313) 577-3400 for instructions and registration information for the institutional TOEFL. Students who have already submitted an application to Wayne State may contact the English Language Institute at (313) 577-2729 regarding the institutional TOEFL/TWE/Oral exam.

University Application Due Dates

- Fall–May 1
(Classes begin in September)
- Winter–September 1
(Classes begin in January)
- Spring/Summer–January 2
(Classes begin in May)

Applications received after the above deadlines will be deferred to the next semester if appropriate.

Professional Schools

Applicants to professional schools such as Pharmacy and Health Sciences, Nursing and Social Work should note the additional requirements for admission. **In many instances, admission to professional programs requires a supplemental professional school application.** Contact the respective program or department for additional information. Applicants who do not meet admission requirements for the professional programs may choose to be considered for admission to the pre-professional programs in the College of Liberal Arts and Sciences.

Financial Documentation of Support

International students must provide official financial support statements documenting the sponsor's willingness to pay for tuition, registration fees, books and supplies, and living expenses (if applicable) for the duration of the anticipated study period at Wayne State (usually four years).

A third party such as a bank must verify the ability of you or your sponsor to provide the needed funds. Use the bank statement included in this booklet, or request a letter from your sponsor's bank indicating the name of the bank,

the account number, account holder's signature, and bank official's signature. These documents are required for the student F-1 or J-1 visa petition at the American Embassy/Consulate in the home country. **It is advised that the student request two original copies of financial documents: one for the visa application and one for Wayne State University.**

Registration Procedures

The Certificate of Eligibility (Form I-20) accompanies the letter of admission and includes additional information about registration procedures. Once your student visa is approved and you have entered the United States, it is imperative that you contact the Office of International Students and Scholars (OISS) at (313) 577-3422. You must present your I-20 or DS-2019 to the OISS to finalize your transfer/entry. Failure to do so may affect your student status in the United States and will prevent you from registering for classes in the semester following your entry. If you misplace your Form I-20, please contact OISS for a copy.

Housing

Wayne State University apartments and new residence halls are conveniently located on or within walking distance from the main campus.

For more information, contact the Wayne State Office of Housing and Residential Life at (313) 577-2116 for a preliminary housing application. You may also visit the housing Web site at housing.wayne.edu for additional information.

Campus Tour

Campus tours are given Monday through Friday and select Saturdays throughout the year. Reservations are required. Call (877) WSU-INFO for more information.

Instructions for Completing the Summary of Educational Experience

Column 1

Write the appropriate calendar years on each line for every school year attended, beginning with the year you first entered elementary school and continuing to the final year of attendance.

Column 2

Write your age at the beginning of each school year. If you were 6 years old in the first school year, write "6" on the first line and list your correct age for each successive year.

Column 3

This represents the actual years you attended school. Your first year is No. 1; your second year is No. 2; etc. Allow one line for each year.

Column 4

Write the name used to identify the year attended ("grade," "standard," "form," "sixieme," "cinquieme," "sexta," "quinta," etc.). Use the terminology of the country in which the school is located. Do not try to translate it into American terminology.

Column 5

Write the name of the school you attended. Again, use the terminology of the country. Do not try to translate it into American terminology.

Column 6

Write the town or city and country where the school is located.

Column 7

Write the name of any examination(s) passed or certificate(s) obtained at the end of that school year. If the certificate is awarded only upon completion of a type of school (elementary, middle, secondary, university, etc.), write the name opposite the corresponding school year in column 3. List the name of the document in the terminology of the country, such as "GCE," "Reifezeugniss," "Student-ereksamen," "Bachillerato," "Artium," "Baccalaureat I and II," "Secondary and Intermediate," "Diploma," "Attestat Certificate" or whatever is applicable in your case. Do not convert any name to American terminology.

If any interruptions occurred in your educational career such as academic failure, illness, financial problems, natural disaster (flood, earthquake, etc.), political upheaval or any other reason that prevented a normal, sequential progress in school, write and attach to this form a full and detailed explanation.

If you need to include any information or explanation concerning your educational career not provided in this form, write your statements below. Use separate sheets if necessary and attach to this form.

Summary of Educational Experience by Years

Type or print your full name as you would customarily write it. Underline the family name (or other, if family name is not used) under which you want to be officially listed in the Wayne State University Records Office.

Instructions for Completing the Statement of Financial Support

Read the following instructions carefully before completing the Statement of Financial Support and submitting it to Wayne State University.

Official sponsorship letters including details, terms and amounts of the award are to be attached to the Statement of Financial Support. This form must be completed and submitted along with an original bank statement or official letter of award from the sponsor as part of the admission process. Photocopies of the documents are not acceptable.

The United States Citizenship and Immigration Services regulations require that all international applicants demonstrate their ability to meet all living and educational expenses for the entire intended period of study for the university to issue a Certificate of Eligibility (Form I-20 AB or DS-2019). For this reason, this form must be completed and returned regardless of the source of funding. If the applicant will be supported by personal and/or family funds, SECTION A on the reverse

side of this form must be completed. If the applicant will be supported by a government, agency or organizational sponsor, the sponsor must complete SECTION B.

If the applicant is married and plans to bring a spouse and dependent children to the United States, additional funds are required to cover the expenses of the spouse and children.

The Wayne State University Office of Undergraduate Admissions will not issue the Certificate of Eligibility until the applicant has

1. provided evidence of acceptable English proficiency (undergraduate students may attend the English Language Institute)
2. provided evidence of adequate financial resources
3. received a positive admission decision

In addition, if admitted, the applicant will need to prove to the US Consulate officer in the home country that there are sufficient funds to cover the first year of study. Therefore, we suggest that you request two original copies of all financial documents: one copy for you to keep and submit to the US Consulate and the other to send to WSU with the original application for admission.

Return this completed form to
Wayne State University
Undergraduate Admissions
PO Box 02759
Detroit MI 48202-0759 USA

Students interested in information about studying in the US are welcome to visit the State Department's Bureau of Educational and Cultural Affairs Web site at www.educationusa.state.gov.
